Dear Mr. Sanborn: I should be
very glad to get a copy of
your lecture on Bruno
and Davidson, delivered
at the Green Aeon Assembly.
Kindly inform me if it has
been printed, or will be prin-
ted, in full - if not, which
paper has the best report
of it. (The report in the Quinton
Journal which I have, is man-
ifestly an interesting extract approved
in the Springfield Republican).
With best wishes

and regards, I remain,
Faithfully Yours,
Thomas W. Johnson
